**SEEKER SERIES | SESSION 3 – TO EMBRACE:
BUILDING THE ORTHODOX MINDSET &
ADULT RELIGIOUS EDUCATION FOR THE
NEWLY ILLUMINED.**

Becoming Orthodox is not the end of the journey—it is the beginning of a lifelong path of spiritual growth, learning, and transformation in Christ. Ongoing adult religious education is essential for continually deepening our understanding of Holy Scripture, the teachings of the Church, the Divine Liturgy, and the Orthodox way of life. Through consistent learning, discussion, and reflection, we strengthen our faith, grow in spiritual maturity, and better equip ourselves to live as faithful Orthodox Christians in today's world.

This session is designed to help parishes establish a practical and sustainable approach to ongoing adult religious education, one that fosters continual learning, strengthens discipleship, and supports the long-term spiritual growth of both newly illumined and lifelong Orthodox Christians alike.
